

Credible intelligence indicates that there is a high risk of a local terrorist attack but a specific target has not been identified. In addition to all previously mentioned precautions, citizens are advised to:

- Resume normal activities but expect some delays, baggage searches, and restrictions as a result of heightened security at public buildings and facilities.
- Continue to monitor world and local events as well as local government threat advisories.
- Report suspicious activities at or near critical facilities to local law enforcement agencies by calling 911.
- Avoid leaving unattended packages or brief cases in public areas.
- Inventory and organize emergency supply kits and discuss emergency plans with family members. Reevaluate meeting location based on threat.
- Consider taking reasonable personal security precautions. Be alert to your surroundings, avoid placing yourself in a vulnerable situation, and monitor the activities of your children.
- Maintain close contact with your family and neighbors to ensure their safety and emotional welfare.

Reporting an emergency or suspicious activity?
Dial 911

For Non-Emergencies
Dial 727-6111

Need information regarding City services?
Dial 311, 727-8311, or visit

A terrorist attack has occurred or credible and corroborated intelligence indicates that one is imminent. Normally, this threat condition is declared for a specific location or critical facility. In addition to all previously mentioned precautions, citizens are advised to:

- Report suspicious activities and call 911 for immediate response.
- Expect delays, searches of purses and bags, and restricted access to public buildings.
- Expect traffic delays and restrictions.
- Take personal security precautions to avoid becoming a victim of crime or terrorist attack.
- Avoid crowded public areas and gatherings.
- Do not travel into areas affected by the attack or is an expected terrorist target.
- Keep emergency supplies accessible and automobile fuel tank full.
- Be prepared to evacuate your home, or shelter-in-place, on order of local authorities.
- Be suspicious of persons taking photographs of critical facilities, asking detailed questions about physical security or dressed inappropriately for weather conditions (suicide bomber). Report these incidents immediately to law enforcement.
- Closely monitor news reports and Emergency Alert System (EAS) radio/TV stations.
- Assist neighbors who may need help.
- Avoid passing unsubstantiated information and rumors.

Low risk of terrorism. Routine security is implemented to preclude routine criminal threats. Citizens are advised to:

- Continue to enjoy individual freedom.
- Participate freely in travel, work, and recreational activities.
- Be prepared for disasters and family emergencies.
- Develop a family emergency plan.
- Keep recommended immunizations up-to-date.
- Know how to turn off your power, gas, and water service to your house.
- Know what hazardous materials are stored in your home and how to properly dispose of unneeded chemicals.
- Support the efforts of your local emergency responders (fire fighters, law enforcement and emergency medical service).
- Know what natural hazards are prevalent in your area and what measures you can take to protect your family.
- Volunteer to assist and support the community emergency response agencies.

General risk with no credible threats to specific targets. In addition to all previously mentioned precautions, citizens are advised to:

- Continue normal activities but be watchful for suspicious activities. Report criminal activity to local law enforcement.
- Review family emergency plans.
- Increase family emergency preparedness by purchasing supplies, food, and storing water.
- Be familiar with local natural and technological (man made) hazards in your community.
- Increase individual or family emergency preparedness through training, maintaining good physical fitness and health, and storing food, water, and emergency supplies.
- Monitor local and national news for terrorist alerts.

Elevated risk of terrorist attack but a specific region of the USA or target has not been identified. In addition to all previously mentioned precautions, citizens are advised to:

- Continue normal activities, but report suspicious activities to the local law enforcement agencies.
- Take a first aid or CERT class.
- Become active in your local Neighborhood Crime Watch program.
- Network with your family, neighbors, and community for mutual support during a disaster or terrorist attack.
- Learn what critical facilities are located in your community and report suspicious activities at or near these sites.
- Contact local officials to learn about specific hazards in your community.
- Increase individual or family emergency preparedness through training, maintaining good physical fitness and health, and storing food, water, and emergency supplies.
- Monitor media reports concerning situation.
